TRUMP-ENDORSED CANDIDATE FOR ARIZONA GOVERNOR KARI LAKE ENDORSES STEVE ZIPPERMAN FOR ARIZONA SENATE

PRESCOTT, ARIZONA -- Today, the Trump-backed candidate for Arizona governor endorsed constitutional conservative Steve Zipperman for Arizona State Senate. Kari Lake was a former anchor for Fox 10 News in Phoenix and became a symbol of truth in journalism when she walked away from the mainstream media despite being number one in the ratings for more than two decades.

Kari Lake wrote this about Steve Zipperman;

“Steve Zipperman and I share the same ideals and approaches that will make Arizona free, safe, and prosperous, as represented by my own policies. As an America First candidate, Steve understands that our country and State have reached a turning point, resulting in either failure or a return to greatness. We must choose greatness. As a State Senator, he will serve the people of Yavapai and Coconino Counties well.”

This endorsement comes after Zipperman filed his petitions with the Arizona Secretary of State’s office to appear on the Republican ballot for LD-1. Steve Zipperman had this to say in response to his endorsement by Kari Lake;

“I am honored that true conservative Kari Lake has endorsed me to become the next State Senator for the great state of Arizona. Kari and I both agree that Arizona needs to move in a new, more conservative direction driven by America first policies. The soul of this nation is under attack by radical leftists. In the Arizona Senate, I will work tirelessly alongside patriots like Kari Lake to restore the soul of this nation and make Arizona great.”

About Steve Zipperman

Steve Zipperman is an American patriot first and foremost. He believes our Declaration of Independence and Constitution are the reason for America’s success and freedom. This belief has driven him to serve his country from a young age.

At age seventeen, Steve enlisted in the U.S. Army and patched up our Vietnam War heroes at Walter Reed Medical Center. After three years of improving and comforting the lives of our wounded warriors, Steve began a career in business and law.

He obtained his Real Estate Broker’s license in 1983, and owned and operated a successful Century 21 office for several years. Steve knows firsthand that getting the government out of the way is the key to everyone’s prosperity.

Steve practiced law for 28 years after putting himself through the Southwestern University School of Law. He ran his own law firm, negotiated the resolution of hundreds of cases, and gained invaluable experience in all aspects of real estate and business law. Unlike other attorneys in our Senate, he will use his experience to craft laws to keep Arizona free!

Steve and his beautiful wife, Sharon, volunteer their time teaching “Constitution 101,” based on Hillsdale College’s Curriculum, to hundreds of citizens within the community. He proudly served as First Vice-Chair to the Republican Party of Yavapai County.

This campaign is not about Steve- it’s about our country. It’s about citizens like you. For too long, Democrats have been at the helm of government, crafting un-American policies and regulations. It’s time for real Americans to take the lead. Arizona’s 1st Senate district needs capable, freedom-loving constitutionalists holding the reins of government.
