Walt Blackman, Current Representative for Arizona's Sixth Legislative District, Chairman of the Judiciary Committee, and Candidate for Arizona's new Second Congressional District proudly endorses Steve Zipperman for Arizona's First Legislative District (LD-1).

Steve checks all my boxes as a God Loving Constitutional Conservative. He is the person we need in the Arizona Senate. Our elected State Senators must be willing to lead and remain loyal to their constituents in the face of fierce political opposition.

Steve will be that leader for Legislative District One and Arizona.

It is critical, more than ever, that Arizona has leaders and policymakers who can stand up for free-market principles, reduced taxes and regulation, the Second Amendment, and the rights of the unborn. I am confident that LD-1 Senate Candidate Steve Zipperman will be that leader with his uncompromising belief in Traditional American Values.
