Conservative Arizona House Representative Teresa Martinez endorses Steve Zipperman for Arizona State Senate, Legislative District (LD)-1

Conservative Republican Teresa Martinez, representing Legislative District 11 in the Arizona House of Representatives, is announcing her endorsement of candidate Steve Zipperman for the Arizona State Senate. District 11 is located between Tucson and Phoenix.

Martinez was appointed by the Pinal Board of Supervisors to the House on October 27, 2021, to fill a vacant seat. At the time of her appointment, she was the Director of Coalitions and Hispanic Outreach for U.S. Rep Paul Gosar. Before working with Gosar, Martinez was the political Director of the Arizona Republican Party.

Martinez describes herself as, “A pro-life, pro-gun, back the blue, protect our border, love America, protect our elections through election integrity conservative. I’m pro-business and pro-growth, she says, but want to make sure we have enough water and resources for future generations.”

After considering her options, Teresa is endorsing Steve Zipperman for the Arizona State Senate representing Legislative District (LD)-1, Yavapai County. “Our values and the issues we are concerned about align well. We are both Constitutional Conservatives, and we are concerned about future generations.

Together they fight for:

- Strong Border security
- Election Integrity
- Parental choice in our schools and the money follows the student
- Strong protection of our Second Amendment Rights
- Less government regulation, and lower taxes for small businesses and citizens of Arizona
- Intelligent water policies for current and future generations

About Steve Zipperman

- Steve Zipperman is an American patriot first and foremost. He believes our Declaration of Independence and Constitution are the reasons for America’s success and freedom. This belief has driven him to serve his country from a young age.
- At seventeen, Steve enlisted in the U.S. Army and he served patching up our Vietnam War heroes at Walter Reed Medical Center. After more than three years of improving and comforting the lives of our wounded warriors, Steve began a career in business and law.
- He obtained his Real Estate Broker’s license in 1983. Then Mr. Zipperman owned and operated a successful real estate office for several years. Steve knows firsthand that getting government out of the way is the key to everyone’s prosperity.
- Steve practiced law for 28 years after putting himself through law school. He ran his own law firm, negotiated the resolution of hundreds of cases, and gained invaluable experience in all aspects of real estate and business law. He will use this experience to craft laws to keep Arizona free!
- Steve and his capable wife, Sharon, volunteer their time teaching “Constitution 101,” (based on the Hillsdale College Curriculum) to hundreds of citizens within the community. He also proudly served as First Vice-Chair to the Republican Party of Yavapai County.
- This campaign is not about Steve, it’s about saving our country and our beloved Arizona. It’s about citizens like you. For too long, Democrats have crafted un-American policies and regulations. It’s time for real American Patriots to take the lead. Arizona’s 1st Senate District needs a capable, freedom-loving patriot and constitutionalist like Steve Zipperman providing leadership in our government.
