## ARIZONA STATE REPRESENTATIVE JOHN FILLMORE ENDORSES STEVE ZIPPERMAN FOR STATE SENATE

**PRESCOTT, ARIZONA** -- As support mounts on behalf of Steve Zipperman's campaign for Arizona State Senate, Representative John Fillmore has announced his endorsement of Mr. Zipperman.

Representative Fillmore currently serves Arizona's 16th House District. In the legislature, Fillmore represents the people of Casa Grande and Maricopa. As an America First representative, Fillmore served as a board member of the Copper Basin Chamber of Commerce, a former Rotarian, and founding member of the new Apache Junction Kiwanis. In addition, Rep. Fillmore also recently sat on the Board of Directors of the Arizona Hearth, Patio, & Barbecue Association, and he was their government liaison on environmental concerns.

Recently, Fillmore introduced an important election integrity bill, House Bill 2589. This bill would require all ballots to be counted by hand within 24 hours of the election date. With the introduction of this bill and numerous other election integrity-related bills, John Fillmore has solidified his position as a true America First legislator for Arizona.

"I am pleased that America First conservative John Fillmore has decided to endorse my like-minded campaign," said Zipperman. "I have seen the good work John has done in the legislature to ensure election integrity. John is endorsing my campaign because he knows I will be a strong ally in the Arizona Senate and I will do everything in my power to ensure that our elections are secure and free from interference." continued Zipperman.

This endorsement comes on the heels of the Arizona Free Enterprise Club's endorsement of Steve Zipperman. Like constitutional conservative Steve Zipperman, Representative John Fillmore has also been endorsed by the Arizona Free Enterprise Club. As like-minded patriots, Steve Zipperman and John Fillmore will fight for our shared values that make this country great.

### **About Steve Zipperman**

Steve Zipperman is an American patriot first and foremost. He believes our Declaration of Independence and Constitution are the reason for America's success and freedom. This belief has driven him to serve his country from a young age.

At age seventeen, Steve enlisted in the U.S. Army and patched up our Vietnam War heroes at Walter Reed Medical Center. After three years of improving and comforting the lives of our wounded warriors, Steve began a career in business and law.

He obtained his Real Estate Broker's license in 1983, and owned and operated a prosperous Century 21 office for several years. Steve knows firsthand that getting the government out of the way is the key to everyone's prosperity.

Steve practiced law for 28 years after putting himself through the Southwestern University School of Law. He ran his own law firm, negotiated the resolution of hundreds of cases, and gained invaluable experience in all aspects of real estate and business law. Unlike other attorneys in our Senate, he will use his experience to craft laws to keep Arizona free!

Steve and his beautiful wife, Sharon, volunteer their time teaching "Constitution 101," based on Hillsdale College's Curriculum, to hundreds of citizens within the community. He proudly served as First Vice-Chair to the Republican Party of Yavapai County.

This campaign is not about Steve- it's about our country. It's about citizens like you. For too long, Democrats have been at the helm of government, crafting un-American policies and regulations. It's time for real Americans to take the lead. Arizona's 1st Senate district needs capable, freedom-loving constitutionalists holding the reins of government.
