ARIZONA FREE ENTERPRISE CLUB ENDORSES STEVE ZIPPERMAN FOR STATE SENATE

PRESCOTT, ARIZONA -- After receiving a slate of support from the Arizona Republican Assembly and Trump backed Kari Lake, Constitutional Conservative Steve Zipperman has been endorsed by the Arizona Free Enterprise Club.

The Arizona Free Enterprise Club is one of the few organizations in the state dedicated to advancing pro-growth, and limited government policies in Arizona. Their mission of promoting economic freedom and a vibrant Arizona economy has led to several policy victories, including substantial income tax cuts, regulatory rollback to promote entrepreneurial growth and protection of our property rights and free speech. Additionally, the Club is the leader among free market organizations in realizing that substantial policy gains require taking on the establishment and supporting free market outsiders.

“The Arizona Free Enterprise Club knows the importance of getting government out of the way.” said Steve Zipperman. “In just 18 months, Joe Biden has virtually destroyed a booming economy through his excessive regulations and spend and forget policies. States all over the nation need strong conservative leaders, like myself, to take free market principles to heart and get our economy back on track.” Zipperman continued.

With the American economy on the brink of recession and inflation at an all-time high, strong constitutional conservative leaders like Steve Zipperman will get our economy back on track.

About Steve Zipperman

Steve Zipperman is an American patriot first and foremost. He believes our Declaration of Independence and Constitution are the reason for America's success and freedom. This belief has driven him to serve his country from a young age.

At age seventeen, Steve enlisted in the U.S. Army and patched up our Vietnam War heroes at Walter Reed Medical Center. After three years of improving and comforting the lives of our wounded warriors, Steve began a career in business and law.

He obtained his Real Estate Broker's license in 1983, and owned and operated a successful Century 21 office for several years. Steve knows firsthand that getting the government out of the way is the key to everyone's prosperity.

Steve practiced law for 28 years after putting himself through the Southwestern University School of Law. He ran his own law firm, negotiated the resolution of hundreds of cases, and gained invaluable experience in all aspects of real estate and business law. Unlike other attorneys in our Senate, he will use his experience to craft laws to keep Arizona free!

Steve and his beautiful wife, Sharon, volunteer their time teaching "Constitution 101," based on Hillsdale College's Curriculum, to hundreds of citizens within the community. He proudly served as First Vice-Chair to the Republican Party of Yavapai County.

This campaign is not about Steve- it's about our country. It's about citizens like you. For too long, Democrats have been at the helm of government, crafting un-American policies and regulations. It's time for real Americans to take the lead. Arizona's 1st Senate district needs capable, freedom-loving constitutionalists holding the reins of government.
