As an Arizona native and proud American, I am pleased to endorse Steve Zipperman for the Arizona State Senate (LD1, Yavapai County). His knowledge of and dedication to defending our United States Constitution makes this a simple choice for me. Our rights under the First and Second Amendments are under attack. These rights are extremely important to me, and to the preservation of this Great Nation.

The Founding Fathers didn't ask why it was necessary to provide "We the People" the means to resist a tyrannical government or speak out against it. It was a problem they had encountered firsthand, just as we are experiencing today. We need a strong Constitutional Conservative like Steve, who's passionate about protecting our God given rights against those who find them inconvenient: A passion that drives him to willingly battle the "Swamp". Steve and I see "eye to eye" on many issues, but most importantly to me, our unwavering commitment and dedication to the men and women who have valiantly served and protected the United States.

We both understand the importance of honoring the Pledge of Allegiance and the National Anthem. Steve and I don't see this as political; it's about service, and it's about giving back to the community and the country that we love. Please join me in supporting Steve Zipperman to represent us in this fight to save Arizona and our Country.

God bless you and God bless America!
